## ErgoPerfect Furniture

The applied science of equipment design, as for the workplace, intended to maximize productivity by reducing operator fatigue and discomfort. And that's exactly what you get with ErgoPerfect adjustable height workstations and adjustable seating.

### BENEFITS

**ERGONOMIC** : Designed to ensure that workers can perform tasks in optimal, well balanced body positions to avoid chronic strains and severe long term physical problems.

**ESD SEATING**: Engineered with enhanced static control options.

**EASY TO CLEAN**: All non-electronic parts may be wiped with a slightly damp cloth and mild soapy water.
