DURASTRIPE®

Supreme V

Supreme V es la quinta generación del DuraStripe original. Es la versión más versátil disponible, combinando durabilidad y adaptabilidad de la superficie para trabajar en la más amplia gama de instalaciones con diferentes condiciones de piso.

DURASTRIPE®

Ultra

La durabilidad ultra alta combinada con una resolución de imagen perfecta ultra alta hace que DuraStripe Ultra sea la ideal solución para áreas de logística, comercio electrónico y tráfico pesado donde la seguridad, la comunicación y la durabilidad son imprescindibles.

Las señales DuraStripe son completamente personalizables; escoja su propio texto, color, pictograma o logo. Las señales DuraStripe son más económicas que la pintura debido a que no hay un costo de montaje envuelto y es instalada en segundos. No requiere de ningún tiempo de secado o de curación, no desprende gases nocivos que ventilar que limiten la productividad. Nuestra señalización para pisos es durable y no se decolora, además que es lo suficientemente resistente para soportar el trafico de peatones y montacargas. Tiene un respaldo de 2 años de garantía.
