

DURASTRIPE®

DuraView Signage System 5S Tool

DuraView is perfect protection for temporary floor signs, safety warnings, lean instructions, location indicators, bar codes or any other information you would use signage to convey. Keep several DuraViews on hand and be prepared to install instant signage whenever needed.

BENEFITS

Strong Bond – Can be installed on the floor or on forklifts. Ideal for perfect or less than perfect floors.

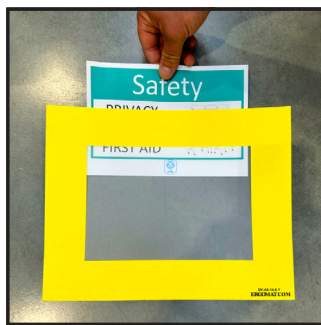

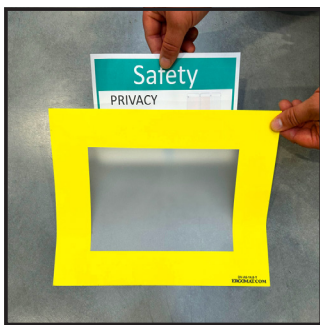

Easy to Use – Colored borders on three sides allow for easy exchange flexibility.

Easy Installation – Simple and easy peel-&-stick installation. Choose to keep the long side or short side of the DuraView open for horizontal or vertical installation orientation.

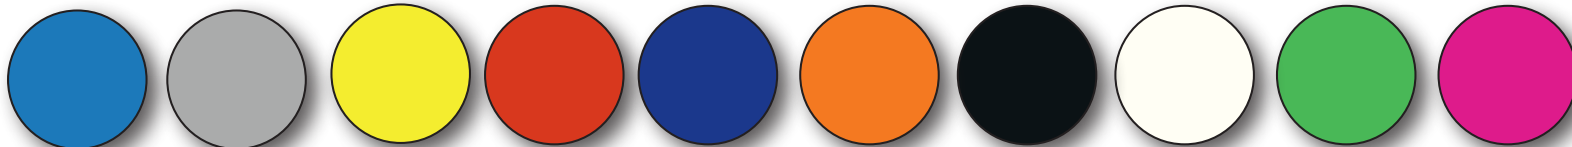

Color Variations – Attention grabbing yellow, red, green or blue borders.

Variety of Sizes – Viewing windows sized for Letter size paper in North America, A4, or A5 sized paper in Europe.

Variety of Uses – DuraView is perfect for temporary or permanent floor signs, safety warnings, lean instructions, location indicators, bar codes or any other information you would use signage to convey.
