

DURA STRIPE® Mean Lean

Mean Lean combines a measure of the low friction surface of Xtreme with a measure of the conformability of Supreme V to provide an economical DuraStripe option for appropriate environments.

MEAN LEAN

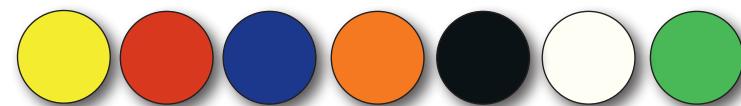

Widths : 2", 3", 4" (5, 7.5, 10 cm)

- Most economical stripes and icons in the DuraStripe family
- Resists puckering or wrinkling caused by pivoting or skidding wheels
- Lowest profile of all DuraStripe
- Easy to clean and maintain
