Ergonomic Mats

Smooth Ergonomic Profiles

- Clings to flooring with a series of aggressive, regularly spaced suction cups, providing extreme security in wet or slippery environments.
- Infused with an anti-microbial additive for protection against bacterial growth.
- Designed to stimulate circulation in feet, legs and lower back. Circulation is stimulated by the unique, patented surface profile of Ergomat mats, which forces muscular response.

Super Safe Mat

Hygiene or Nitril Smooth

- Made in any shape and size.
- Can tolerate mild exposure to oils and other liquids.
- Self-extinguishing when introduced to open flame.
- All Ergomat mats are silicon free.
