Featured Office Solutions

Ergonomic Mats

Basic Matting

- Available in Bubble, Smooth, or Deluxe profiles.
- Light-duty ergonomic and anti-fatigue mats that perform well in non-demanding applications like retail counters, pick lines, mail rooms and other typical office functions.
- Molded w/ bevels.
- Smooth top surface makes the Basic Smooth profile ideal for pivoting workers, in non-demanding work environments.
- Can be custom made to any size and shape, creating one continuous surface to eliminate seams and trip hazards.

Chair Matting

- Relief and comfort while standing or sitting at the desk.

Office Furniture

Ergonomic Workstations

The applied science of equipment design, as for the workplace, intended to maximize productivity by reducing operator fatigue and discomfort. And that's exactly what you get with Ergoperfect adjustable height workstations

ERGOMAT® Featured Office Solutions

Ergonomic Furniture

High-end ergonomic chairs for a variety of working situations. Numerous adjustments are possible through a variety simple manual operations. The bubble upholstery profile is molded in soft polyurethane to stimulate blood circulation and increases comfort when sitting for long periods of time.
